A LETTER FROM THE FOUNDATION

SAINT ANN SCHOOL FOUNDATION INC.
Scholarships for Students

Dear Friend of Saint Ann School,

The Saint Ann School Foundation, Inc. is an independent non-profit foundation dedicated to ensuring a faith-based education remains accessible to all families desiring it for their children, regardless of income. Many of our families have experienced great hardship due to the COVID-19 pandemic. The need is greater now than ever as more of our families have asked for additional scholarship funds. We are trying our best to be able to help each of our families with tuition assistance.

This year our fundraiser will be a virtual gala. We are excited for our new format and new opportunities to engage with our donors. Due to COVID-19, Saint Ann School was unable to hold the annual Seaside Celebration last Spring. The Foundation Board welcomed the opportunity to join our efforts in supporting the children of Saint Ann School.

We invite you to become a Sponsor of the Foundation's Heart for Education Virtual Gala. The following pages will show the various levels of sponsorship and the recognition opportunities.

Thank you for your consideration! Please do not hesitate to contact Pamela Macia at 239-595-3495 with any questions.

Sincerely,

Tina Ferrao

WHY SUPPORT

SAINT ANN SCHOOL FAMILIES?

Parents choose Catholic schools for their children because of high academic standards, faith education, and a safe school environment.

Catholic schools offer challenging STREAM Curriculum (science, tech, religion, engineering, arts, math). The students of Saint Ann School have graduated and are attending some of the top universities in the world. Their Catholic school foundation has set them up for success.

Catholic schools foster hope for a vibrant future, with their success being a sign that success is possible even in the most trying times. At Saint Ann we focus on serving others as part of the curriculum. Students learn the value of volunteerism and compassion for others, and are more likely to continue to volunteer as adults.

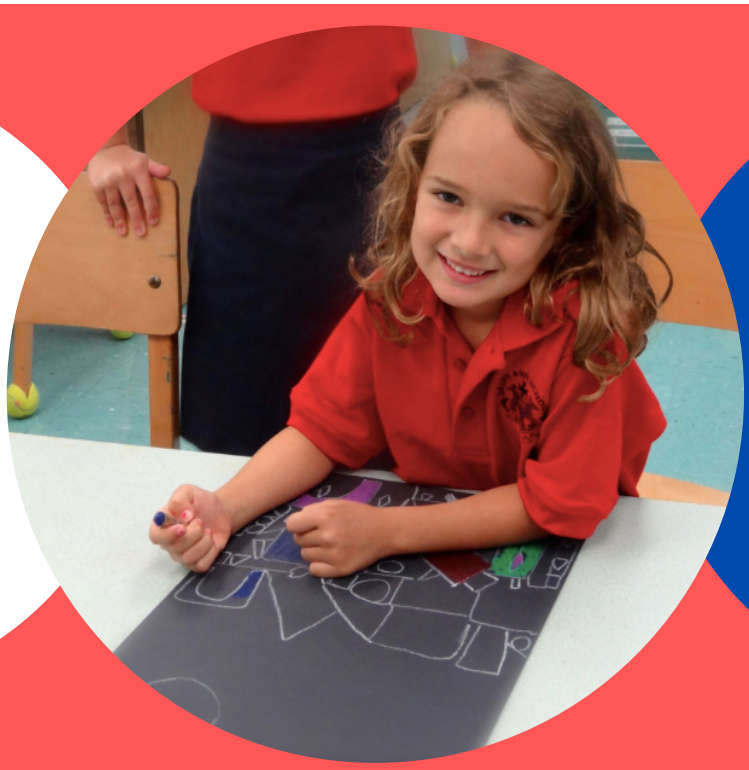
Become a part of our Saint Ann School Family! By supporting Saint Ann, you will change the lives of students in our community. Our sponsors will be included in our Community Partners Page of our school website, have name on all gala promotional materials, email marketing, invitations, virtual gala livestream, and school social media.

Will you consider supporting our students and familes?

"Thank you for your generosity. We would not be able to continue at Saint Ann without your support.

God Bless You!"

Second Grade Family



"Our family is incredibly grateful to be a part of the Saint Ann Community. Thank you from the bottom of our hearts."

WHO WE ARE

AND WAYS TO GIVE

IDENTITY

- Established in 1982, the Saint Ann Foundation is an independent 501 c(3) providing need-based scholarships to the students of Saint Ann School.
- The Trustee Board is comprised of dedicated community members committed to Catholic Education.
- To date we have given over $10 Million in scholarships to the school.

GIVING

- Annual Fund - an ongoing annual fund each fiscal year. No amount is too small and we strive for participation from all of our families, parishioners, and friends.
- Endowment Fund - Leave a lasting legacy for your family with a gift to the endowment fund. The principal of the gift will be preserved. The goal of the fund is $6,000,000, of which 4% is given in scholarships annually.
- Gala - Each year the Foundation holds a fantastic evening with a lively auction to raise funds for the school.
- Planned | Memorial Gifts - A planned gift is a beautiful way a donor can leave money or assets to the Saint Ann School Foundation at their death. A memorial gift is a thoughtful way to mark a special occasion or to honor the memory of a relative of friend.
- Major Gifts - A gift in the amount of $10,000 or more is a major gift. This life changing gift can be used to fund a student for an entire year, or for their entire time at Saint Ann School.
